Good

REACH COMPLIANT

Date of issue

Sulphited sperm oil sunstitute fatliquor.

BOTFAT SP is a versatile fatliquor used to make articles from soft garment to tight uppers.

BOTFAT SP imparts uniform handle over all areas, gives fullness and roundness to crusts and keeps grain tight and elastic.

It is fairly stable to acids, salts and hard water and can be used during prefatliquoring, rechroming and/or neutralization.

Application

Recommended to use 2 - 10 % of BOTFAT SP while processing different types of leathers.

05-01-2024

shelf life

The product can be stored in its original packaging between 5°C and 35°C for 8 months.
